Causes for Offer Rejection

1 Insufficient Offer

Offers must be at least the minimum offer amount as set in the posting.

2 Altered Bid Sheet

Any bid sheet containing erasures or alterations to the original bid sheet will be rejected.

3 Offers containing Alterations or Erasures

An alteration or erasure of any price contained in the offer shall be rejected, unless the original price is crossed out or erased and the correction is printed in ink or typewritten adjacent to the alteration or erasure, and the person signing the offer initials the correction in ink.

4 Offer Submittal

All offers must be submitted by the close of bidding on that item and in the fashion outlined in the bid sheet.

5 Unmarked Bid Envelope

It is requested that offers identify the item that is the subject of the offer in order to prevent inadvertent opening of a sealed bid before the official date and time the bid is closed. Any offer not properly labeled and inadvertently opened before the close of bidding may be rejected.
